About CGCC & CGCC Foundation

China General Chamber of Commerce - USA

Founded in 2005, the China General Chamber of Commerce – USA (“CGCC”) is an independent, non-partisan, non-governmental chamber of commerce. It has been recognized as one of the most impactful not-for-profit organizations representing the U.S. and Chinese business communities. With a mission to create value, generate economic growth, and enhance cooperation, CGCC offers a broad range of programs, services, and resources to over a thousand multinational companies across the U.S. As of July 2026, CGCC’s Chinese member companies have cumulatively invested over \$140 billion, employ more than 230,000 people, and indirectly support over one million jobs throughout the United States.

CGCC Foundation

Established in 2014, CGCC Foundation is a 501(c)(3) tax-exempt organization. The mission of CGCC Foundation is to deepen mutual understanding and cooperation between the United States and China through research, public charity and engagement in economic, cultural and social exchanges.
